

5 Reasons Why Your Union Endorsed BERNIE SANDERS FOR PRESIDENT

1. CWA Members Voted to Endorse Bernie Sanders. Tens of thousands of your brothers and sisters voted in a CWA online poll to endorse Sanders.

2. Bernie Sanders Stands With Us. At Verizon, at Fairpoint, on every picket line and rally where we've needed him, he's always on our side. Just a few weeks ago he rallied with us in New York City to protest the illegal firing of Verizon Wireless worker and CWA Local 1109 member Bianca Cunningham.

3. Bernie Sanders Fights for Tuition Free College by Taxing Wall Street. Bernie is the candidate who is willing to take on Wall Street and fight for ordinary Americans. He knows Americans are struggling under a heavy burden of student debt and he'll tax Wall Street speculation to make college affordable for everyone.

4. Bernie Sanders Will Work to Strengthen Labor Laws to Make it Easier for Workers to Organize Unions. There is no member of Congress who is more committed to rebuilding the labor movement than Bernie Sanders.

5. Bernie Sanders Wants to Get Big Money Out of Politics. Bernie has no super-PAC. He doesn't accept money from corporations. More than a million ordinary Americans contribute to fund his campaign averaging \$30 a person. He will fight to repeal Citizens United and regain control of our political system from the billionaires and the big corporations

Bernie is fighting for a political and economic system that works for everyone.

That's why CWA is proud to endorse him for President!
